Orsinger Investment Group, Inc. Co-Locates Services with Bittel & Company, Adds Key Support Staff

Greenville, Pa. (January 23, 2011) – Orsinger Investment Group, Inc. recently added a key support staff member and strategically co-located its business location with that of Bittel & Company in an effort to better serve their collective clientele, according to company president, Kevin Orsinger.

Orsinger brings more than 11 years of sound financial advising experience to his business. He is an active member of the business community, serving on the board of directors of the Greenville Area Chamber of Commerce and the UPMC Horizon Community Foundation.

Orsinger Investment Group has been in Greenville since 2002. The firm provides various investment management accounts including personal IRAs (traditional, rollover and Roth), business IRAs (simple and SEP), 529 college savings accounts, individual and joint brokerage accounts. Investments offered include 401(k) plans, mutual funds, variable annuities, fixed annuities, stocks, bonds and CDs. Fee-based financial planning is an additional service available, as are life, disability, long-term care and group insurance.

Regarding the decision to relocate his business to the Bittel & Company location, Orsinger comments, “Steve [Bittel] and I share a mindset that our two firms serve niches that clients

typically seek at separate locations. Building their personal and business financial assets is something for which my clients visit me. They also seek the protection of those assets through a respected, full-service insurance provider like Bittel & Company. It truly is a smart fit which benefits both firms' existing and potential clients.”

Mary Krall joined Orsinger Investment Group last year as its administrative assistant. Krall brings over 20 years of experience in the business office of UPMC Horizon, and is an active member of the community. “Bringing Mary onboard has been a real advantage,” states Orsinger. “She is a well-known face in Greenville and brings a wealth of great experience and professionalism to the position.”
